

DECLARATION

This application is a Continuation of the U.S. National Phase of PCT/CA98/00060, filed February 2, 1998, which is a Continuation-in-Part of U.S. Patent Application No. 08/799,007, filed February 7, 1997, and U.S. Patent Application No. 08/825,943, filed April 1, 1997.

As the below named inventors, we hereby declare that:

Our residences, post office addresses and citizenships are as stated below next to our names.

We believe that we are the original, first and joint inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled

ANAESTHETIC BONE CEMENT

the specification of which was filed on August 2, 1999 as Serial No. 09/365,175.

We hereby state that I/we have reviewed and understand the contents of the above-identified specification, including the claims.

We acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, § 1.56 and in particular information which has occurred between the filing date of our earlier applications and the filing date of this application.

We hereby claim foreign priority benefits under Title 35, United States Code, § 119 of any foreign application for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed.
